This program will change in the next few weeks based on the distribution of abstracts received.

- Social Program & Family Events**
- Opening reception at the elegant Jefferson Hotel with cash bar, Virginian buffet dinner, and live music by Peter Ingram's jazz band;
 - Tour to Williamsburg (includes group bus transportation and boxed lunch);
 - Tours of Richmond (choice of “Segway” [the little gyroscopic 2-wheeled machine] riding trip to historical locations or traditional historic tour);
 - Closing banquet (fun-filled evening of Confederate tom-foolery).

[Top](#) ♦ [Preliminary Program](#) ♦ [Call for Abstracts](#) ♦ [Registration](#) ♦ [Omni Richmond Hotel](#) ♦ [Attractions: City and State](#) ♦ [Program Information](#) ♦ [Vendors](#)

Call for Abstracts: *Deadline June 18, 2010*

You are invited to submit abstracts for the meeting on any topic in ultrastructural pathology. Case reports are encouraged. The format is flexible. Abstracts should be one or two pages in length. These pages may include one or two images if desired, but the quality of the reproduction in the abstract book cannot be assured. Please submit all abstracts electronically to: **Allan Tucker** at atucker@usouthal.edu.

Platform presentations are particularly encouraged, but some space for posters will also be available. Feel free to email with any questions. Please note that all works accepted for the meeting and subsequently submitted as manuscripts will receive special consideration for publication in *Ultrastructural Pathology*.

Program Information:

This CME activity is supported by educational grants. A complete list of supporters will be published in the course syllabus.

Needs and Target Audience

Topics for this program are derived from the 2009 CME evaluations and are designed to increase general knowledge for the target audience who are practicing physicians.

Accreditation Statement

"This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the University of South Alabama and Society for Ultrastructural Pathology. The University of South Alabama is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians."

"The University of South Alabama designates this educational activity for a maximum of 27 *AMA PRA Category 1 Credit(s)*[™] (Physicians should only claim credit commensurate with the extent of their participation in the activity.)

Disclosure

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, the faculty for this program has been asked to complete disclosure forms. Information will be provided as part of the program packet.

Global Objectives

Provide information on the latest in ultrastructural diagnosis and research in order to provide pathologists and related health care workers and scientists with a knowledge base useful for updating and improving the diagnostic application of electron microscopy.

Disclosure

The University of South Alabama College of Medicine adheres to ACCME Essential Areas, Standards, and Policies regarding industry support of continuing medical education. Disclosure of the planning committee and faculty's commercial relationships will be made known at the activity. Speakers are required to openly disclose any limitations of data and/or any discussion of any off-label, experimental, or investigational uses of drugs or devices in their presentations.

Disclaimer

The information provided at this CME activity is for continuing education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical

condition.
